Additional information

An opportunity to purchase a newly renovated, high-quality apartment in the very heart of Riga, in a building that breathes the city's history.

The apartment is located in a renovated pre-war brick building with restored historical elements, authentic staircase details, original façade architecture, and a beautiful, well-maintained courtyard.

The apartment is bright, with high ceilings and a well-thought-out layout. It has full, high-quality interior finishes, installed plumbing, and a kitchen included in the price. The building is managed by the project developer — guaranteeing quality and a well-kept environment.

Additional advantages:

- Land ownership
- Central heating
- Enclosed, paved courtyard with video surveillance
- Excellent location, everything needed for comfortable living nearby, only 10 minutes from the Old Town.

The building offers various apartments of this type in different sizes, giving you the opportunity to choose the most suitable one.

The project is attractive both as a comfortable residence and as a sustainable investment property. Call to arrange a project viewing.
